

Funding Level Quick Reference

	Level 1 - RGC Seed Project	Level 2 – RGC Collaborative Project	Level 3 – RGC Equipment Project
Award period	1 to 2 years (5/15/17 - 5/14/19)	1 to 3 years (5/15/17 - 5/14/20)	1 year (5/15/17 - 5/14/18)
Proposal Funding Range	Project maximum of \$6,000	The minimum project total is \$25,000. (\$12,500 to \$75,000 may be requested from the OVPRED with commensurate match, see below.)	The minimum project total is \$50,000. (\$25,000 to \$100,000 may be requested from the OVPRED with commensurate match, see below.)
Cost Share Match	Match is voluntary	Recommend 1:1 match (or greater) from the applicants' colleges, schools, and/or departments for a total budget at or above \$25,000.	Recommend 1:1 match (or greater) from the applicants' colleges, schools, and/or departments for a total budget at or above \$50,000.
Faculty	Limited to 1 PI and 2 co-PIs*	Limited to 1 PI and 3 co-PIs*	Limited to 1 PI and 3 co-PIs*
College Participation Requirements	Open	Faculty from at least two (2) UA colleges or schools (represented by 2 or more Academic Deans).	Faculty from at least two (2) UA colleges or schools (represented by 2 or more Academic Deans).
Jr. Faculty Participation	Open	Recommended	Recommended
Required Deliverables	<ol style="list-style-type: none"> Annual poster at the OVPRED Faculty Research Day or equivalent OVPRED sponsored event. Final report 90 days after the end of the award period. Failure to submit the final report will jeopardize future RGC funding. 	<ol style="list-style-type: none"> Applicants must submit an acceptable plan for the submission of an extramural proposal in the second year of funding and describe how the proposed funding will support the research objectives of the project. Applicants must submit at least one research, scholarly, or conference abstract to an appropriate journal/library or conference each year for the duration of confirmed funding. An initial peer-reviewed publication that is directly related and associated with the funded project must be prepared and submitted for publication within 2 years of the receipt of funds. Peer-reviewed publications include journals, book chapters and books. Applicants must have a poster or oral presentation at the OVPRED Faculty Research Day or equivalent OVPRED sponsored event during each year of funding. Submission of annual and final reports that address the deliverables listed above within 90 days following each year of funding. Failure to submit the required reports will jeopardize future RGC funding. 	<ol style="list-style-type: none"> Applicants must submit an acceptable plan for the submission of an extramural proposal in the second year of equipment installation and describe how the equipment will support the research objectives in the extramural proposal. Applicants must submit two or more research or conference abstracts identifying the use of the purchased equipment to an appropriate conference/journal/library within one year of equipment installation. A minimum of two peer-reviewed publications identifying the use of the funded equipment should be prepared and submitted for publication within two years of the award. Applicants must have a poster or oral presentation at the OVPRED Research Day poster or equivalent OVPRED sponsored event during the year of funding. The submission of a final report no later than 90 days following the end of the project period. Failure to submit the final report will jeopardize future RGC funding.

* Additional faculty may be named as investigators or collaborators (without a leadership role in the project).

Applicants should review the entire Proposal Instruction Manual for the appropriate funding level request prior to preparing and submitting a proposal.
