Faculty should note this example does not address all proposal requirements. Faculty should consult the 2022 Small Grant Program (SGP) Application Manual [link] for specific requirements in each section. Pages 1 – 4 are an example Internal Processing Form (IPF) that each applicant will complete online in the Cayuse System when submitting a proposal to the ORED SGP and external agencies. Your IPF will be combined with your SGP proposal when shared with the review panel. The IPF will serve as your title/cover page. Faculty can put the proposal title at the top of page 1 of the Proposal Narrative, but should not include a separate title or cover page.
